Covid related

- **Face mask is required** all the time during discussion.
- Face shield is in general not acceptable unless one holds a [DRES accommodation letter](#)².
- **Student will be asked to leave if not wearing a proper face covering. If the student refuse to leave, the class will be dismissed and I'll have to report this to the undergraduate office.**
- In the case one tested positive, status can be checked by your instructor. I'll have to verify it before giving any excuse³.

Worksheet

- I will print copies and bring it to the classroom.
- You'll find group number written at the up right corner.
- If you prefer to work on a electronic version, you can find the worksheets on [Moodle](#) under "Worksheets" folder.
- Ask for hints when you get stuck on a problem.

Grading

- **Attendance is required** in order to get full grade for discussion.
- You shouldn't come to the class if you are sick.
- **The lowest 4 scores will be dropped** in order to remediate unforeseen illness, change of location or any possible reason for missing a class.
- If you were ill for more than 4 classes and want to see if you could be excused from that, you'll need to provide documents such as DRES letter to your instructor.
- Worksheets will be graded in a scale of 0-5. They are **not** graded for correctness.

¹Office hour is run for all students in MATH241, regardless of section.

²See accommodation below for more information.

³Also see the grading section below.
